Ettington Rubbish Friends

I had a very productive meeting with Becky from Rubbish Friends (Stratford).

With her advice about what to buy and what not to buy (ie don't get gloves - let people bring their own as they are a nightmare to wash/dry) I have put together the attached wish list.

The yellow flexi buckets (see attached) - Becky said not to buy the cheap ones because the handles break straight away. Hers are from Travis Perkins and should have been about £15 each. She managed to get them for £5 each. I contacted xxxxx who works at Jewsons. He's agreed to let us have them for £3.33 each.

I've written to Pure, Ettington Chase and Ettington Park Hotel.

So far Matthew at Kier (who run Pure) has come back very positive and says they'll help. I've asked him to confirm how much they can help ahead of the PC meeting on the 13th.

Hopefully with some support from Kier and maybe one of the hotels it will bring down the overall total quite a bit.

We can always scale back the number of items too if the sum is too big.

I'm sure that in due course we can get The Chequers, Rookery Farm, Ettington Stores, etc. to chip in even if it's just to fund a litter picker or two.
