Date	From	Subject	Summary	Action Required/Undertaken
20 May 2019	Parishioner	Severn Trent	<p>I am resident at 21 Hillman Way and have been living here for the last 15 years. Severn Trent have access over this shared driveway with my neighbour to their Water Works facility. I have tried contacting the Severn Trent Site Manager for this facility to no avail.</p> <p>I wish to bring to your attention and nearby households of the blatant speeding that is now regularly occurring by one particular Severn Trent mini van driver. Indeed, I have this on video that shows this reckless individual accelerating across my driveway without any due care for possible pedestrians and vehicles pulling out. Certainly, we have neighbouring children who play near this driveway and it really is not safe to do so because of this driver. I also have a young family and I am loathed to let them out onto our driveway/ front garden in case this maniac driver accelerates by.</p> <p>I am convinced if this continues an accident will occur or a fatality. There is no</p>	

			<p>road signage to approach the shared driveway to the Water Works and there is a blind corner that residents at the bottom of Hillman Way use which means a collision is inevitable sooner or later with this Severn Trent driver.</p> <p>I respectfully ask as a concerned Ettington resident and in your capacity to inform Severn Trent of their driver and his disregard to residents, pedestrians and drivers alike. This bad driving must stop immediately !</p> <p>If you require any further details then please email in the first instance so we may arrange a mutual time to speak.</p>
