To: All Town/Parish Council Clerks

Dear Clerk

Consultation on BT programme of intended Public Payphone Removals

British Telecom has commenced a consultation on their proposals to remove a number of the public payphone callboxes from within Stratford-on-Avon District. As the relevant local authority the Council is consulting with parish councils giving them three options:

- To agree to the removal
- To adopt the callbox for use by the local community; or
- To object to the removal

Please see the attached list of the callboxes which BT are proposing to remove. There are 28 in total in our area. The individual callboxes can all be identified by a Public Notice posted within them by BT, informing residents of their proposal and directing any comments to Stratford-on-Avon District Council.

If you would like to respond to this consultation either in relation to your local callbox or to the overall proposal, please go to <https://www.stratford.gov.uk/consultation-performance/bt-payphone-removal.cfm> and complete the short online survey form or alternatively email consultation@stratford-dc.gov.uk . There is further information about the consultation on the above webpage.

All comments must be received by Monday 4 November 2019. Comments received will be reported to the Council's Cabinet in December, where a response to the consultation will be agreed prior to formally submitting it to BT.

Yours faithfully
